BOSTON: 1901.

THE COMMISSIONER OF THE LAND OFFICE, in presenting this report to the Senate, has the honor to acknowledge the assistance rendered by the various departments of the State, and particularly the Department of the Interior, in the preparation of the same.

It also contains a statement of the amount of money received from the sale of the public lands, and of the amount which has been expended for the purchase of the same.

The second part of the report contains a detailed statement of the operations of the Land Office during the year 1900. It is divided into four sections, the first of which contains a statement of the operations of the Office in relation to the sale of the public lands.
